

# RELATIVITY FEST

September 25 – 27, 2024  
Chicago | Online

## JUSTIFY YOUR TRIP TO RELATIVITY FEST

# What is Relativity Fest?

Every year, thousands of individuals from the legal technology community attend Relativity Fest to discover faster, better ways to work. The conference challenges attendees to rethink how they overcome complex data challenges with engaging panel discussions, learning labs, breakout sessions, and insights from leaders in the industry — from federal judges and analysts to Relativity super users and developers.

Relativity Fest 2024 will take place September 25 – 27 as both an in-person and digital event. You don't want to miss this year's conference where we'll cover some of the industry's biggest topics, such as data privacy, building trust in AI, and of course, in *highest* demand, Relativity aiR. We hope you can join us!

Take a look for an idea of what to expect in 2024:

### Actionable Education

Relativity Fest is more than just great ideas. You'll leave with tactical ways to work smarter and grow your services or skills.

- 100+ educational sessions
- 4 RCE credits (depending on exam type)
- 10 CLE credits

### A Fresh Perspective

Relativity Fest brings together professionals from every discipline, helping you see tough problems in a new way.

- Lit Support
- Law Firms
- Corporations
- Government Agencies
- Developers
- Industry Analysts
- Federal Judges
- Relativity Team

### A Voice at the Table

Relativity Fest doesn't shy away from covering the industry's most pressing issues — it tackles them head on. You'll have the opportunity to be a part of the conversations happening at the forefront of AI innovation and get a feel for what's coming.

### Connection from Home

By attending Relativity Fest digitally you'll have a front row seat to all of the excitement. You can view content right from the comfort of home, and get access to:

- Keynote and breakout session live feeds
- On-demand viewing for up to 90 days post-event
